There is a Zoom Etiquette file on the Town website that details how Zoom meetings work and what is expected of Attendees. All Attendees will be able to hear and/or see the Town Board meeting. Attendees will be muted until the Mayor takes Attendee comments. Attendees wanting to comment must click on the "Raised Hand" tab at the bottom of the screen, or callers will have to enter *9. The Mayor will acknowledge which Attendee is to speak (by name or phone number) and the meeting host will unmute the Attendee who shall first provide their name and address before they begin their comments. Failure to follow directions or maintain meeting decorum will result in the muting of your connection. This meeting is being recorded.

For the Executive Session, the Town Board will log into another remote meeting with permissions only for the Town Board and specific attendees. The length of time for the executive session is estimated to take approximately one (1) hour or less, however may extend beyond this time, if necessary. No formal action will be taken during the executive session. The Town Board and specific attendees will conclude the executive session and reconvene in the initial remote meeting open to the public, and if any actions are needed they will be detailed and acted upon accordingly.
